<p>Key Issues / Themes / Messages</p>	<p>This is a yearly meeting, bringing Bradford Integration and Change Board (ICB) and Leeds Partnership Exec Group (PEG) together to:</p> <ul style="list-style-type: none"> • Build understanding, trust and relationships • Identify the key issues on which we have common cause • Kick start collaboration on specific areas of shared importance • Agree how to continue building connectivity between systems <p>This meeting was themed around research and innovation.</p> <ol style="list-style-type: none"> 1. Presentation from Bradford on Born in Bradford - https://borninbradford.nhs.uk/. Programme aims include design and evaluate interventions to improve health, build Local Research Capacity, embedding learning and opportunities to improve health in communities. Key points <ol style="list-style-type: none"> a) Early life is a key period for determining people’s health which requires more focus. b) Social Patterns/inequalities and need to move away from describing problems to tackling them. 2. Leeds presentations on Health and Care Academy, Leeds Centre for personalized medicine and health, Leeds Academic Health Partnerships 3. Strong commitment from health and care leaders across both areas to work together. Discussions around linking policy around Devolution, regional 5 year response to NHS Long Term Plan and Local Industrial Strategy

	<p>(which is a required submission to government around economic growth) in strategic conversations around health – health inequalities are the greatest inequalities that it's possible to turn the curve on.</p>
