

Dear Communities of Interest network,

As always, this week's email includes a number of updates and resources for you to use and share with the other organisations you work with. **This page** provides the latest advice and guidance from the Leeds Public Health team, and signposts you to the relevant local services and resources. The session notes from the **23rd February can be found here** and you can find the **flash card here**

Health and wellbeing Board -

Huge thanks to those of you who supported the February H&WB Board development session see [link](#) - your contribution was really appreciated, and helped bring a community and people focused voice into the session. The next meeting of the **Leeds Health and Wellbeing Board is a Board to Board Session** takes place on 09 March. If anyone would like to attend as the CoI Network representatives please [Pip](#) know as soon as possible and we will send through a diary invite. Meetings we can currently take place three times a year (March, July and November) so we can rotate to ensure everyone who is interested can be included in future meetings.

For more information about the [Health and Wellbeing Board click here](#)

Rethink Covid-19 Vaccination resources

Rethink Mental Illness has a Covid-19 Vaccination page which **can be viewed here**, as well as a briefing summarising the findings from their Covid-19 vaccination survey for people with severe mental illness **and their carers here**.

COVID Vaccination Q&A session for the workforce - 11.30am on Tuesday 2 March

This will be a 30 minute session to bring you up to date with where we are in our vaccination programme. Please **see here for more details and Click here to join the meeting**

Want to Know More Sessions (WTKM) Public Health

The Public Health team have delivered a WTKM session "Community Engagement with the Covid-19 vaccination programme" aimed at all colleagues in the public health wider workforce, including frontline workers and third sector staff. You can find the **recording of the session here**

Health Watch Check In

Healthwatch's latest weekly check in is focused on hearing from people in Leeds who are Clinically Extremely Vulnerable (or shielding), to find out how people have been managing since they started shielding and what

their hopes and concerns for the future are. You can find out more and [the survey link here](#).

Learning Disability Partnership Board

There will be a Leeds Learning Disability Partnership Board devoted to information on the vaccine rollout for people with learning disabilities next week. Details below if you would like to join or for more information contact jez.coram@forumcentral.org.uk
