Learning disability in Leeds?

Leeds Learning Disability Week is an annual series of public events, bringing together community and organisations from across the City.

Aspire host many events* to celebrate the abilities of adults with learning disabilities. We also support events hosted by our friends and partners across the city.

Visit our website calendar or Through The Maze for event posters.

We look forward to seeing you at one or more of the events taking place throughout Leeds Learning Disability Week 2024.

*Weather permitting, check our social media channels before travelling.
