

EXPERIENCES OF THE UK COVID-19 PANDEMIC

CHILDREN AND YOUNG
PEOPLE'S VOICES

This research is on behalf of the **UK Covid-19 Inquiry**. This is a really important project that will help the government learn lessons for the future.

Share Your Experience

We want to speak with **young people aged 9-22yrs, to understand their experience of the UK Covid-19 pandemic**. Sessions are running throughout July, August and September; you can take part either online or at a local community venue. **You will receive £60 as a thank you for taking part.**

How to take part
