

# Leeds Community Vaccination Champions

Community  
Champions  
LEEDS

## Grant applications now open!

### Could you engage with your community about vaccines?

Receive between £500 and £1500 for your organisation as part of the Community Vaccine Champions programme.

- Raise awareness and understanding of the benefits of vaccines.
- Engage with residents and share information in a way which works for your community.
- Support people's confidence in vaccines and help increase uptake.
- This round has a particular focus on children's immunisations and specifically Measles, Mumps and Rubella (MMR) vaccinations.

Applications  
processed weekly  
Final closing date

**Friday 23 May  
2025 at 5pm**
