

# Health Needs and Assets Assessment Grants

## Funding for local projects tackling health inequalities in Leeds

Support your community's health and wellbeing by applying for a small grant to deliver projects that respond to local health priorities identified in recent Health Needs and Assets Assessments.

- Deliver community-led activities that address health inequalities.
- Use local intelligence and insight to help improve health and wellbeing in your area.
- Work collaboratively with local partners to test new ideas or build on what already works.

### Focus on communities in:

Gipton, Harehills, Burmantofts & Richmond Hill, Cross Flatts Park, Holbeck and Armley.

Closing Date  
**Friday**  
**5 December**  
**5.00pm**
